

A bill for an act

relating to transportation; exempting certain cargo tank vehicles from weight restrictions on seasonally weight-restricted roads; amending Minnesota Statutes 2008, section 169.87, by adding a subdivision.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2008, section 169.87, is amended by adding a subdivision to read:

Subd. 7. **Cargo tank vehicles.** (a) Weight restrictions imposed by the commissioner under subdivisions 1 and 2 do not apply to cargo tank vehicles with two or three permanent axles when delivering propane for heating or dyed fuel oil on seasonally weight-restricted roads if the vehicle is loaded at no more than 50 percent capacity of the cargo tank.

(b) To be exempt from weight restrictions under paragraph (a), a cargo tank vehicle used for propane must have an operating gauge on the cargo tank that shows the amount of propane as a percent of capacity of the cargo tank. Documentation of the capacity of the cargo tank must be available on the cargo tank or in the cab of the vehicle. For purposes of this subdivision, propane weighs 4.2 pounds per gallon.

(c) To be exempt from weight restrictions under paragraph (a), a cargo tank vehicle used for dyed fuel oil must carry documentation of the empty weight of the cargo tank vehicle from a certified scale in the cab of the vehicle. For purposes of this subdivision, dyed fuel oil weighs seven pounds per gallon.
